

CyberWeek Trivia Tournament

CyberWeek Trivia Tournament by RunSafe Security

Cyberweek Trivia Tournament by RunSafe Security pits the smartest cybersecurity companies against each other to help build camaraderie among cyber companies while promoting CyberWeek and Cyber Awareness Month.

Teams

The 16-team tournament involves 5-person teams who compete head-to-head in a single elimination tournament. Each match consists of 10 questions. The team with the most correct answers advances to the next round.

The Winner: The Smartest Cyber Company in the World

The winner of the tournament receives the coveted RunSafe Trivia Cup as the Smartest Cyber Company in the World. Meanwhile proceeds of the event will go towards a scholarship program offered by The Atlantic Council's Cyber Statecraft Initiative to advance the development of future cyber leaders.
